## President's Message

Thought there wouldn't be a lot to report this month. Instead, September was full of news.

First, SNC has joined AAUW as a member college, thanks to President Elect Millie Szerman and North Tahoe's Co-presidents, Patricia Waters and Ann Yuhas. Ann and Millie met with SNC Provost Shannon Beets to discuss the many benefits of AAUW membership to both faculty and students. SNC was especially interested in having a SmartStart workshop for SNC students, an AAUW program designed to help women entering the work force learn how to narrow the salary gender gap and negotiate salaries. Two of our members have already received training in being a workshop facilitator.

Next, we had to scramble to come up with a new caterer less than a month before our September meeting. Since I had some non-cancellable/non-refundable travel plans, once again President Elect Millie Szerman came to the rescue and organized an Executive Committee to find an interim solution until we do a more thorough evaluation of our catering options. The Committee selected John Sullivan of Sunshine Deli. Kudos to Cheryl Lancaster and Pam Sheldon for putting together a report of options for the Executive Committee on such short notice. Our Meet and Greet September dinner meeting had a capacity crowd of more than 60 attendees. As usual, the purpose of our September meeting was to catch-up with our old friends and meet new and prospective members. Despite the challenges of working with a new caterer

and Parasol's non-functioning A/V equipment, our Programs and Membership Co-VP's (Laura Durica, Mignone Wood, Cheryl Lancaster and Pam Sheldon) succeeded in providing a most enjoyable event. The room was filled with enthusiasm and even a loudly clanging bell could hardly stop the animated conversations when it came time for announcements.

If you are interested in being part of a committee to select a "permanent" new caterer, please contact Membership ([membership@tahoenvaauw.org](mailto:membership@tahoenvaauw.org)). We'd really like someone not on the Board to be on this committee. We appreciate your understanding in this transition after having had the same caterer for more than a decade.

Also, this year, AAUW Tahoe Nevada has been given the opportunity to choose the theme, and with the 2 local Rotary clubs, plan a Holiday Party at the Chateau in December. If you would like to help with this event or have a suggested theme, please contact me as soon as possible since we plan to meet in early October.

And plans for the upcoming STEM Trek Day in Incline Village are continuing. I mistakenly listed the wrong date last month. **STEM Trek Day will be June 8, 2019.** Debra Tufts, is our representative in this collaborative effort with other affiliates in and around the Tahoe Basin. She will be working on promoting the event and developing selection criteria for Incline/Crystal Bay middle and high school girls to attend.

At the September Board meeting, we voted to approve the appointment of Suzie Evans to the vacant co-Treasurer position. Congratulations and thank you Suzie!

Hope to see you at Game Night on October 4<sup>th</sup> and/or our next dinner meeting, October 17 at Parasol featuring a speaker from the Nevada Museum of Art with a program about Ann Brigman, whose photography is currently on exhibit there.

As you can see, it's going to be a busy year. Please check the back of the newsletter for an updated list of volunteer opportunities. Thanks to all of you who give their time and talents to our mission of advancing equity for women and girls.

Dear AAUW Member:

We are planning another game night on Thursday, October 4, 2018. The plan is to have wine, beer, drinks, appetizers and desserts and charge \$25 per person. Social hour starts at 5:30pm. If you would bring an appetizer, dessert, or alcohol (beer or wine) we can minimize the cost to AAUW. Just let me know what you plan to bring (please be specific: chips and salsa, jalapeno poppers, cheese and crackers, lemon bars, brownies, etc) so we don't have duplicates.

The event, as in the past, is open to spouses, friends and neighbors. Please indicate which game(s) you would be interested in playing so we can set up the tables accordingly. Every person attending needs a form. RSVP by September 30th, please. There is a great deal of last minute planning.

Thank you for your support on this fun evening. Those that have attended previous game nights have requested we do this quarterly.

**\*\*\*\*We are also including a WHITE ELEPHANT SALE. Please bring items that you think someone else would want to buy. All proceeds benefit AAUW.\*\*\*\***

Thank you

# News from the Program Co-Chairs

For our dinner program on October 17, 2018 a speaker from the Nevada Museum of Art will discuss the work of local artist, Anne Brigman (1913). Brigman’s photography in the early 1900s was considered “ground-breaking” for her “figurative landscape images made in the Sierra”. Her photography is known on both coasts of the USA. She was a photographer, poet, critic and mountaineer. Her exhibit is at the NV Museum of Art from September 29, 2018 to January 27, 2019.

Dinner meetings are held at the Parasol Building on the third Wednesday of each month except in December, July and August. An email is sent with a registration link. The social hour starts at 5:30PM. Dinner is served at 6:15PM and followed by a program or speaker at 7:00PM. The menu this month is:

- Butternut squash soup*
- Pork Chops*
- Roasted Potatoes*
- Roasted Vegetables*
- Stuffed Bell Peppers (vegetarian entree)*
- Mini Apple Cinnamon Bundt Cakes*

\*\*Please be aware that TN-AAUW must pay for all RSVPed dinner reservations. Our longstanding policy has been that if you have made a dinner reservation and fail to cancel by 5 PM on Monday before the dinner meeting, you will be expected to pay for the dinner.

# Scholarship Committee Update

By Stephanie Young

As you know, the main purpose of the AAUW organization is to raise funds to help support local young women achieve their educational goals. Recently we heard from one of our 2014 scholarship recipients, Mia Harbaugh, who wrote to thank us. She graduated this year from Arizona State University with a Bachelor of Science in Business Management and a Certificate in International Business.

After an intensive interview process she was offered a position at TEKsystems as a Technical Recruiter. TEKsystems is one of the leading IT staffing firms in the nation with over 110 offices throughout the United States. Mia has been working at the Phoenix office since June, and she loves it so far! Mia recently wrote to us to say, "Thank you for helping me get to this point. I owe a good portion of my success to you all and I am forever grateful."

Mia Harbaugh, AAUW scholarship recipient and 2018 graduate of Arizona State University

# PUBLIC POLICY NEWS

By Robin Grean

9/14/18 This week, the US Congress released new data that allows us to calculate the gender pay gap nationally and in each state and congressional district, as well as by race/ethnicity. Here's what AAUW found:

IN 2017, the national median earnings were \$52,146 for men and \$41,997 for women making a gender pay ration of 80.49%, almost exactly the same as last year.

**While white men's earnings rose slightly, women's decreased overall**, with larger pay gaps for women of color. As compared to white, non Hispanic men's earnings in 2017, Black women were paid 61%, Hispanic women 53% Native or Alaskan women 58%, Asian women 85%, Native Hawaiian or Pacific Islander 62% and white non Hispanic women 77%.

**We continue to see a gender pay gap in every state** and in almost every congressional district. Unless we change course, the gap between men and women's earnings will not close until 2106. In fact, the pay gap has only decreased by a nickel over the past 20 years.

**AAUW is committed to advocating for stronger equal pay laws**, working with employers to improve practices

and cultures, and empowering women to successfully negotiate their own financial futures. We're urging Congress to pass the Paycheck Fairness Act, and through our Work Smart initiative, AAUW will train 10 million women around the country in salary negotiation by 2022.

- We've teamed up with Boston Mayor Marty Walsh to train 85,000 of the women in the city in salary negotiation by 2021. Similar efforts are underway in five additional cities.
- Last month, we launched an initiative to train one million women in Kansas and Missouri through Work Smart, with the Women's Foundation and Kansas City Mayor Sly James.
- Later this month, we will debut a free AAUW Work Smart Online course in salary negotiation to provide an easy way for all women to learn the ins and outs of negotiating for the best possible pay.

We're off to a strong start. Cities, states, and employers are increasingly realizing **the value of fair pay**: It strengthens their workforce, promotes equitable communities and helps their economy and bottom line.

# Cooking Club

The AAUW Cooking Club met on Sunday, September 23 at Burnt Cedar Beach for an end of summer Lobster/Clambake. Friends and family were invited and all enjoyed the brisk, but sunny weather. The menu featured plenty of fresh seafood including lobster, shrimp, clams, & mussels prepared in a savory seafood broth with baby new potatoes and corn on the cob. There was plenty of lively conversation, a few adult beverages were shared, and everyone had a great time.

The Cooking Club generally meets once a month in a host home. Food is prepared by club members from provided recipes. The menu changes from month to month. Over the past year we've enjoyed a Fall Autumnal Feast, a festive post-holiday lunch, a Winter beef short rib dinner, a light Spring

luncheon featuring salads from around the world, an Asian fusion banquet, an Italian al fresco garden party and most recently, the end of summer seafood bash. We meet year-round and ALWAYS have a great time. And while the food is always tasty, the best part of our events is getting to meet new people in a relaxed atmosphere.

If you are interested in being on the Cooking Club mailing list and receiving email notices of upcoming events, please send your email address to Peggy Poindexter @ [peggypoindexternv@gmail.com](mailto:peggypoindexternv@gmail.com). All AAUW members, from fledgling novice cooks to gourmet chefs, who enjoy good food, good wine, and entertaining, are invited to join us. We anticipate having our final event of 2018 in early November. Watch for our announcement!

## OUTDOOR ENTHUSIASTS' GROUP

The Outdoor Enthusiasts' Group gets together year-round to enjoy hiking, snowshoeing, other outdoor activities (and good companionship!) in the beautiful Lake Tahoe area.

For hiking and snowshoeing we meet at 9:30 AM every Monday (weather permitting) in the lower parking lot of the Village Church on McCourry Blvd. at the Mt. Rose Hwy.; from there we carpool to our trailhead. We had a wonderful summer of hiking, including some wildflower hikes outside of the Tahoe Basin, and are looking forward to enjoying the fall colors.

Please contact me at [Lwhetstone@prodigy.net](mailto:Lwhetstone@prodigy.net) or 775-831-8608 if you would like to hike with us. You will be notified by email of planned outings as well as any last minute changes due to weather.

Our other warm weather outings are drawing to a close. The kayaking group led by Liz Paganelli on Wednesday mornings has ended its activities for the season. The road-biking group—the Wheeling Women—may have a few more outings this fall. This group is led by Millie Clarke—please contact her at [mclarke47@gmail.com](mailto:mclarke47@gmail.com) to be added to that list.

We hope you can join us in the great outdoors!

Lynn Whetstone
