## Membership Renewal

AAUW National has revamped their website and created a Community Hub. If you have an existing AAUW membership, you have an account in the Community Hub, but it will need to be activated. The first time you log in you will be instructed to reset your password by clicking on the "forgot password" link. You must use the email address AAUW National has on file for you. Here is a link to a <u>video</u> on the process, but if you need help, you can reach out to <u>Jane Dykstra</u>.

Once you go through the process of resetting your password, you can log into your account. You will be taken to the "Personal Snapshot" page. From this page you can update your profile, change your password, and other administrative tasks. To renew your membership, you will click on "My Memberships."

## Where you will find a "RENEW" button.
